4.7 GWYNEDD COUNCIL MATTERS

Cllr. Eryl Jones Williams reported that since the last meeting he had attended the following:- 1st March 1-3, Dolgellau, Student transport protest. 3rd 8.30-4 Caernarfon, Full Gwynedd council. 7th. 8.30-2.00 Caernarfon, Licensing. 8th. 9.30-1.00. Railway Franchise, Dolgellau. 8th. 5.30-8.30 Gwynedd cuts, Blaenau Ffestiniog. 14th 9-15-2.00 Community Health Council, Tremadog. 6.15-9.15. Gwynedd School Governors forum, Tremadog. 16th 5-10pm Bala south snowdonia access. 17th PM Church meeting, Dyffryn Ardudwy. 21st. 10-1. Dolgellau. Mid Wales Health Collaborative. 1-2.30 Scrutinising the local health. 2.30-4.30 Merioneth area forum. 22nd. 10-1, Barmouth harbour committee. 23. 6.30-9.30 Harlech, Ardudwy school governors. 24. 11.30-4.30 Health meeting Tywyn. 24th 7.30-9.30 Village Hall meeting.

I attended the college students protest in Dolgellau regarding post 16 transport and I agreed with the students concerns over bus transport increases from £60-£100 per term per pupil. The age of the buses, overcrowding of buses and the fact that the students can only use their passes in the morning and evenings when the buses are full.

Almost £5 million in cuts by Gwynedd council included the closing of 50 toilets, TIC's and cut backs in road maintenance. I did not agree and abstained. The school governors forum in Tremadog unanimously asked for the Gwynedd cabinet to look again at their decision regarding post 16 transport. Regarding the Railway Franchise, extended village car parks have been included as well as trains to stop at all stations, and the possibility of re-opening the railway line from Afonwen to Bangor. There are some agreements in place regarding the ticket office in Barmouth TIC as one staff member is being financed by Arriva Trains Wales. A call was made for a full 7 days a week rail service on the Cambrian Line. There was concern at the South Snowdonia Access forum regarding the effects of cuts by Gwynedd council to the footpath maintenance and highways budget as this could have an effect on the users of the footpaths and could lead to complaints. £170,000 has been cut to the rural footpaths budget. £850,000 has been cut to the highways budget. Walkers to the area add a lot of money to the local economy. There are still problems with off roaders causing damage to farmland when straying off proper paths. Signs are to be erected categorising the, gradients, steepness etc of footpaths, from green to access for all yellow and orange for moderate, red for hard and strenuous and black for extreme. Money has been allocated and planning permission granted for a new footbridge over the Ysgethin as part of the coastal path in Talybont. Most of the Meirionnydd budget will be spent in Talybont. Meirionnydd could be split into five areas in the future, there were plans to split Ardudwy with Llanfair joining Penrhyn and Dyffryn joining Dolgellau. Barmouth and Dinas Mawddwy. I was supported in keeping Ardudwy as one area and the new proposal was for five areas under the secondary school catchment areas. There are calls for diversity in councillors with the Welsh Government trying to attract representation from disability groups, ethnic background, age and gender and trying to get young people more involved. One of the regeneration officers is going off on maternity leave. As there are 29 projects on the go in Meirionnydd, another officer has been appointed. There are currently no grant funder application projects in this area, the area has done well in the past attracting almost £750,000 in grant aid. There has now been cuts in the grants budget, so locally we were lucky in getting the grants when we did. It was not possible to get a report on the shifting sand at Bennar beach to the Barmouth harbour committee as the sand shift was as a result of winds either from the north or south west. There is however a steep bank being created. Experts thought that the area was constantly changing. I am very concerned that the mid Wales Health Collaborate which covers this area is becoming a health talking shop. I recently met with the Health Minister, chair and new chief executive of the NHS. Nurses, GP's and carers recruitment was seen as a major problem in rural areas. A career pathway for carers has recently been adopted. We have one local carer who is to shadow district nurses to gain experience on the carers pathway. That person is ahead of many other carers in Wales. I attended the church meeting regarding Llanenddwyn Church and the village hall committee and will report on these matters as they come up on the agenda.

Anyone wishing to contact me can do so on 01341242758 or 07796833767, or on e.joneswilliams@btinternet.com

* The Dyffryn Ardudwy and Talybont community council did not support re opening the railway from Afonwen to Bangor as the cost of around £50 million could be better spent on road improvement in the Meirionnydd area. The councils views are to be forwarded to the next Cambrian Railway committee on 20 May.

She spoke to an officer from Gwynedd Council on the latest situation, who told her that a letter will go out to the community and town councils in the next few days stating a revised quote for the price of filling salt bins for winter.
