

Dyffryn Ardudwy & Talybont Village Hall

Meeting on Thursday March 11th at 1.00pm

Present: Derek, Mike T, Mick, Jane, Trish, Denise

Apologies: Ben

Treasurers report: Mick has completed the annual report for April 2019 – March 2020 and on approval of the Committee would submit to the Charities Commission. Approved
April 2020 – March 2021 was almost complete and would be ready for approval for the next meeting.

New doors plan: Mike brought a copy to show to the Committee – has gone to the National Park for planning approval.

Toilet grant – Denise was waiting for a paper copy to fill in

Groups eager to return

Jonathan continuing to do his regular hours

Cafe Contract:

This was discussed at great length.

Decisions:- if Trish wanted/needed to close the cafe for a period of time, this could be agreed

Computer/printer – Trish would use the money obtained for paper/inks and any excess would be given to the hall

Oil – Jonathan would be tasked with checking the oil levels

Coffee machine servicing – Hall responsible for maintenance as it belongs to them – they would reimburse Trish for the money she has paid for a recent servicing

PATs – Hall would pay for these in the future

Domestic v commercial appliances: it was decided to replace the domestic appliances (cooker, ho, hood, dishwasher, etc as it becomes necessary – at the moment most equipment is domestic. Trish would start looking at commercial ovens – the old hob will be got rid of. If a new cooker was obtained, we would also need a new extractor fan.

Car park – would continue to be kept locked for the moment. Although, the ideal would be for Jonathan to do the locking up and opening, at the moment, he wasn't keen to do this. Initially, once the hall opens, Denise would open up and Mick would close.
